

JETC10 COPENHAGEN

22-24 June 2009

Joint European Thermodynamics Conference

JETC 10 + Ilya Prigogine Prize in Thermodynamics

Niels Bohr Institute, University of Copenhagen
22-24 June 2009

Visit the JETC 10 website for more information concerning:

- » Keynote speakers
- » Focus areas
- » Posters & talks
- » Extra activities
- » Registration & accommodation

Focus areas

- » Thermodynamics at the meso- and microscopic level
- » Thermodynamics of agglomerated systems
- » Advanced uses of thermodynamics in engineering
- » Conceptual thermodynamics
